SUMMARY REPORT

B.01 Exchange of views and possible opinion of the Committee on a draft Commission Regulation EU amending Annex II to Regulation (EC) No 1925/2006 of the European Parliament and of the Council and Annex II to Directive 2002/46/EC of the European Parliament and of the Council as regards iron milk caseinate added to foods and used in the manufacture of food supplements

A Commission representative presented to the Committee the draft Commission Regulation which aims to include iron milk caseinate in Annex II to Regulation (EC) No 1925/2006 and thereby permits its use as a new source of iron in food and food supplements.

The substance has received a favourable scientific assessment by the European Food Safety Authority and is included in the Union list of novel foods laid down in Commission Implementing Regulation (EU) 2017/2470. During the exchange of views, three Member States welcomed the footnote making reference to the novel food authorisation of the substance that has been inserted to help food business operators and control authorities make the link between the two legal frameworks. One Member State had a technical comment on the draft measure.

Vote taken: Favourable opinion.
