

# cotton-MON88913

---

---

**Organisation: OWN**

**Country: Sweden**

**Type: Individual**

**Public: Yes**

---

**a. Assessment:**

**Molecular characterisation**

I do not want any GM cotton.

---

**Comparative analysis (for compositional analysis and agronomic traits and GM phenotype)**

I do not want any GM cotton.

---

**b. Food Safety Assessment:**

**Toxicology**

I do not want any GM cotton.

---

**Allergenicity**

I do not want any GM cotton.

---

**Nutritional assessment**

I do not want any GM cotton.

---

**3. Environmental risk assessment**

I do not want any GM cotton.

---

**6. Labelling proposal**

IF there will be GM cotton (I hope not!) please make sure to label it very well.

---

---

**Organisation: Individual**

**Country: Germany**

**Type: Individual**

**Public: Yes**

---

**a. Assessment:**

**Others**

Since Deadline for public opinions is today, and no one commented, I will. I object to yet another GMO to be approved. Please, please stop this insanity! Thank you.
