

# Sub-group on Food donation

Meeting on 7-8 November 2022

- Joint meeting of the sub-group on Food donation together with FEBA EU Working Group
- Visit to Banque Alimentaire Bruxelles-Brabant focusing on freezing meat
- **Goal:** to continue the discussion about the current landscape of food redistribution in the EU
  - Public authorities and redistribution organisations from the same Member States to discuss the different **food redistribution national policy frameworks** as well as practices on the ground
  - The use of **FEAD/ESF+ resources** to fund food donations in Estonia

# Sub-group on Food donation

New assessment of food donation practices, policy and legislation across Europe

- **20 July – 11 September 2023:** dissemination of questionnaire on challenges and opportunities to food redistribution across the EU
  - 17 Member States + Norway
  - 19 stakeholders
  - 14 FEBA Members
- MS and stakeholders who are willing to contribute can still send their feedback by **20 November!**

# Sub-group on Food donation

Next meeting on 28 November 2023

- ensure that your organisation is represented !
- hybrid meeting

1. Initial input from the questionnaire to assess food donation practices, policy and legislation across Europe. Exchange with members to identify barriers, opportunities and best practices on redistribution of surplus food.
2. Information and best practice sharing on food donation activities in Member States/by sectorial organisations and exchange with members.
3. Donation of surplus fish direct from landing – presentation by FEBA
4. VAT on donations
  - Objective : to identify barriers, opportunities and best practices of food donations.
