DRAFT

Union register of technologies, recyclers, recycling processes, recycling schemes, and decontamination installations

**Established in accordance with Article 24 of Regulation (EU)
2022/1616 on recycled plastic materials and articles intended
to come into contact with foods**

**List 3: Recycling Company Numbers ('RON')
version: 0.6 (27 October 2023)**

**This draft list contains only installations located in the EU
registered from 1st of January to 27th of October 2023**

This document is part of the Union Register of novel technologies, recyclers, recycling processes, recycling schemes and decontamination installations, established and made public in accordance with Article 24 of Regulation (EU)

Important: This DRAFT list is drawn up based on registration data that the Commission received from 1st of January to 27th of October 2023. The Commission services are aware that the present list may still not be without error. Recyclers noting incorrect data are invited to contact the Commission Services without delay to rectify such mistakes. Please use the e-mail address at the top of this page, mentioning in the subject [DR05] and the row number to prevent delay. The Commission Services may require reregistration. Note that the RIN or the assignments of the RFN and/or RON may change as a result of such a notification.
