

**REGULATION**  
**on Procedure for Creation and Maintenance of the Register of Organizations**  
**and Individuals, Engaged in Production, Processing and (or) Storage of Goods**  
**Subject to Veterinary Control (Supervision) Imported into the Customs**  
**Territory of the Customs Union**

1. Regulation on Procedure for Creation and Maintenance of the Register of Organizations and Individuals, Engaged in Production, Processing and (or) Storage of Goods Subject to Veterinary Control (Supervision) Imported into the Customs Territory of the Customs Union is based on Decision of the Interstate Council of the Eurasian Economic Community No.29 as of December 11, 2009 and developed for the purpose of implementation of the Regulation on Common Procedure for Joint Inspections of Sites and Sampling of Goods (Products) Subject to Veterinary Control (Supervision), adopted by Decision of the Customs Union Commission No. 317 as of June 18, 2010.

2. This Regulation determines the procedure for creation and maintenance of the register of organizations and individuals, engaged in production, processing and (or) storage of goods subject to veterinary control (supervision) imported into the customs territory of the Customs Union (hereinafter referred to as the 'Register'), and terms of provision of information contained in the Register.

3. The authorized bodies of each Party shall submit the information contained in the Register to the Customs Union Commission for its further incorporation into the Integrated Information System of Foreign and Mutual Trade of the Customs Union (hereinafter referred to as the 'Integrated Information System').

The Register shall be formed by the authorized bodies of each Party with provision of access to the Register via the official site of the Customs Union and official sites of the authorized bodies of each Party.

The information contained in the Register shall be protected against unauthorized access in the course of creation and maintenance of the Register.

4. The Register shall be maintained in accordance with the standard approved by Decision of the Customs Union Commission No.342 as of August 17, 2010.

5. Information shall be entered into the Register by the authorized bodies of each Party on the basis of decision adopted in accordance with the Regulation on Common Procedure for Joint Inspections of Sites and Sampling of Goods (Products) Subject to Veterinary Control (Supervision) adopted by Decision of the Customs Union Commission No. 317 as of June 18, 2010. In such cases the information on the object of control shall be entered into the Register.

6. The information contained in the Register shall be amended or deleted only on the basis of decision adopted in conformity with the procedure provided for by Regulation on Common Procedure for Joint Inspections of Sites and Sampling of Goods (Products) Subject to Veterinary Control (Supervision) adopted by Decision of the Customs Union Commission No. 317 as of June 18, 2010. In such cases appropriate information shall be entered into the Register.

7. The authorized body of the Party shall forward appropriate information to the Customs Union Commission, authorized bodies of Parties, and competent authority of the exporting country not later than 3 business days upon the date of adopting the decision on amendment or deletion of information contained in the Register.

8. The information contained in the Register shall be provided upon the request of an interested party by the authorized body of each Party.
