SUMMARY REPORT

A.01 General information related to third countries.

No item raised.

B.01 Exchange of views and possible opinion of the Committee on a draft Commission Implementing Decision on the evolution of animal diseases in third countries.

No item raised.

B.02 Exchange of views and possible opinion of the Committee on a draft Commission Implementing Decision amending Decision 2007/25/EC concerning certain protection measures in relation to highly pathogenic avian influenza as regards their period of application.

A draft text prolonging the protection measures for the movements of pet birds from third countries into the Union was presented by the Commission. The measures shall only be prolonged until end 2019 as according to the legal service it should be based on the Pet Regulation (EU) No 576/2013. To this end a delegated act has been prepared with the clear commitment to advance also with an accompanying draft implementing act laying down a model for a corresponding animal health certificate.

Vote taken: Favourable opinion.
