## SCIENTIFIC COMMITTEE ON ANIMAL HEALTH AND WELFARE

### SUB-COMMITTEE ON ANIMAL HEALTH

#### 1. **Adoption of the Agenda**

The meeting was chaired by Prof. Dr. V. Moennig (2<sup>nd</sup> Vice- Chairman).  
The agenda was adopted after including a new item 5.

#### 2. **Adoption of minutes of meeting of the previous Sub-Committee meeting**

The minutes of the meeting were adopted with a few editorial changes.

#### 3. **Declarations of interest**

No member reported any conflicts of interest relating to the items under discussion

#### 4. **Discussion and possible approval by the Sub-Committee of the following report: on “Contagious Bovine Pleuro-Pneumonia (CBPP)”**

The sub-committee agreed to discuss it in detail and proposals for amendments were made. The document was approved by the Sub-Committee, subject to minor amendments.

#### 5. **Progress reports on “Psittacosis”**

In the absence of the rapporteur, the secretariat briefed the members of the sub-committee about the outcome of the first working group meeting

#### 6. **Miscellaneous**

6.1. A question was raised about the risk analysis working group. The subcommittee agreed that a general discussion will take place among all members at the next plenary meeting of SCAHAW

6.2. It was requested to the Secretariat to circulate a copy of the information given at the Seminar organised by DG RECH on 26 September 2001 in Brussels, concerning the project FAIR-CT 97-3566 on development of prevention and control strategies to address animal health and related problems in densely populated livestock areas in the EU.

6.3. Dr Vanopdenbosch briefed the sub-committee about the recent development on BSE.

6.4. New question and creation of a working group: A new question on oral vaccination methods of the fox against rabies was discussed. The sub-committee nominated a chairman. Members were requested to consider the possible composition of the working group.
