

SGPV situation in Spain

PAFF 14-15th September 2023

- SG Animal Health, Hygiene and Traceability
- MAPA, Spain

Situation of SGPV in Spain (up to 14.09.2023)

PROVINCE	OUTBREAKS	AFFECTED CENSUS
Granada	12	2,978 sheep + 158 goats
Almería	1	97 sheep + 9 goats
Cuenca	13	34,835 sheep + 338 goats
Ciudad Real	4	13,868 sheep + 260 goats

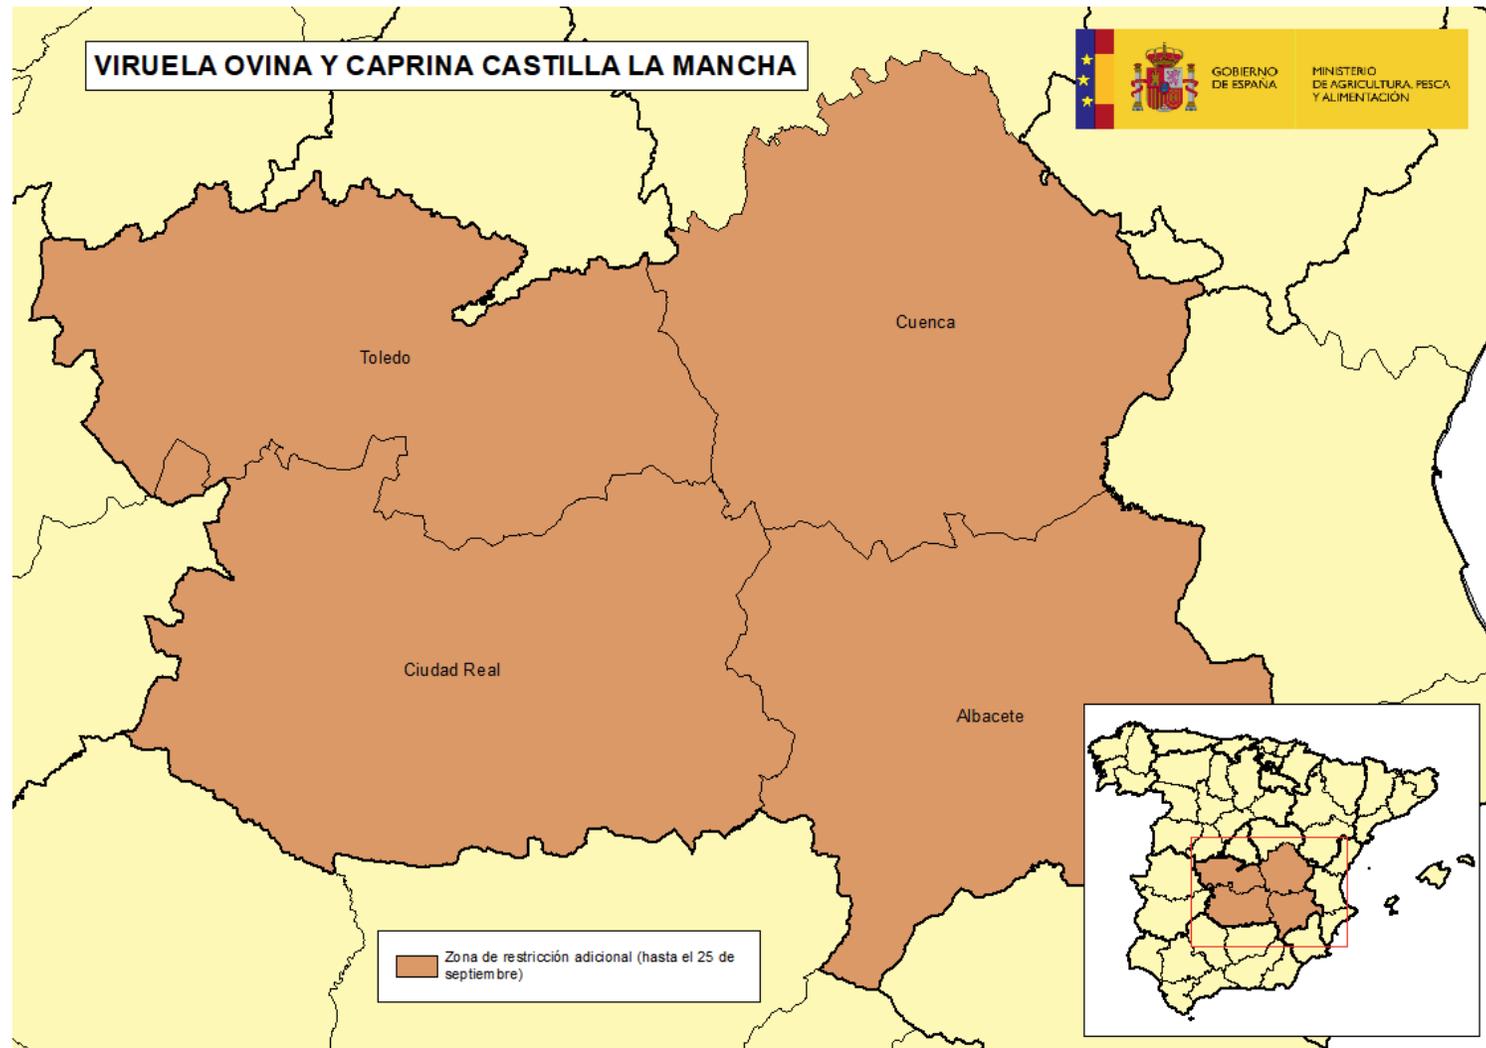

Outbreaks in Andalucía: September-November 2022 (FRZ lifted in January 2023).

No further outbreaks detected in CLM since the last one notified on 17/05/2023 (outbreak 2023/7).

Total affected census: 51,778 sheep & 767 goats.

Restricted & Further Restricted Zone in CLM

- **Protection Zone:** lifted on 20/07/23 (implemented for 48 days)
- **Surveillance Zone:** lifted on 07/08/23 (implemented for 66 days)
- **Further Restricted Zone** until 25th September

Situation of SGPV in Spain (up to 14.09.2023)

- Enhanced epidemiological surveillance in Castilla – La Mancha: Two rounds of official visits have been implemented in all sheep holdings in PZ and SZ for clinical inspection and PCR in case of compatible symptoms.
 - **No detection of further outbreaks** since the last notified (2023/7; 17th May 2023).
 - Detection of **15 suspect cases** (including 3 suspicions in other AACC detected by passive surveillance), with detection of clinical signs compatible with SGPV → All tested negative in the NRL by PCR (cases were confirmed of contagious ecthyma and few of ectoparasites).
- **Implementation of control measures provided** in Implementing Regulation (EU) 2023/2333 (and successive modifications).
- **EU-VET team recommendations** implemented.

EPIDEMIOLOGICAL SITUATION STABLE

Conclusions

- Epidemiological situation of the disease seems to be stable and under control, with no detection of further outbreaks since 17/05/23.
- Control measures in the Regulation, as well as the recommendations by EU-VET team, have been implemented, and continue to be implemented in the FRZ.
- Both PZ and SZ have already been lifted (20/07/23 & 07/08/23, respectively).
- If no new outbreak is detected, FRZ would be lifted on 25/09/23, and Spain will regain freedom from SGPV.

**THANK YOU VERY MUCH
