

Interceptions of commodities imported into the EU or Switzerland with harmful organism(s)

Notified during the month of: **JUNE** **2020**

Number of interceptions with harmful organisms: **81**

Data extracted on: **09/07/2020**

*The sums indicated do not necessarily correspond to the number of interception notifications sent by Traces to the exporting country. One notification may contain interceptions of several plants or harmful organisms shown individually in the tables.

For further information, please contact the Traces Support Team at sante-traces@ec.europa.eu

Plants or produce

| Country of Export | Commodity | Plant Species | Harmful Organism | Number of interceptions |
|----------------------|--|---------------------|----------------------------|-------------------------|
