Meeting of the sub-group on transport

Export to third countries by road

Third meeting, 30 April 10:00-12:30

(Videoconference on Teams)

– DRAFT AGENDA –

Chair of the meeting: Mr Stanislav Ralchev & Ms Sandra Sanmartin, Unit 'Animal welfare, antimicrobial resistance', Directorate Crisis Management in Food, Animals and Plants, Directorate-General for Health and Food Safety (DG SANTE)

1. Welcome and short introduction on the topic
2. Presentation by Arla Foods on supporting local dairy production in several third countries
3. Export to third countries of small and large ruminants by road:
 - a. Do you think a ban on exports by road of small and large ruminants is a solution?
 - If so, what could be the impact of such a ban?
 - Should this ban be a total ban, a partial ban and/or a seasonal ban (e.g., during summer/winter etc.)
 - b. Which stricter conditions should be put in place in case if a ban is not a solution?
 - stricter parameters to monitor, record and check
 - traceability requirements and online tools to control
 - checks at departure, during transit, at exit points and retrospective checks
 - exchange of information and feedback from the place of destination
 - mitigation measures (e.g. withdrawal of approval, return to departure etc.)
 - targeted trainings
4. Reminder of date of next meetings
