

# **Consultation request for the determination of the novel food status ARTICLE 4 of Regulation (EU) 2015/2283**

**Consultation request to determine the novel food status of nicotinamide mononucleotide**

**Recipient Member State:** the Czech Republic, Ministry of Agriculture of the Czech Republic

## **Name and description of the novel food:**

The request concerns nicotinamide mononucleotide (purity is 95 – 99 %). Nicotinamide mononucleotide (NMN) is obtained by the use of enzymatic technology. It is intended to be used as an ingredient in food supplements or fortified foods.

## **Novel food status**

The ingredient is considered a novel food.

## **Novel food category (where applicable):**

Category 3(2) (a)(i)

## **Justification**

Competent authorities of the EU Member States and the European Commission were consulted. A history of consumption prior to 15 May 1997 has not been established in the EU.
