**CABINET PREȘEDINTE – SECRETAR DE STAT**

No. ....

**PERMANENT REPRESENTATIVE OF ROMANIA TO EUROPEAN UNION**

**TO HIS EXCELLENCY, MR. AMBASSADOR MIHNEA MOTOC**

**Dear Mr. Ambassador,**

We send you, in the annex, the inspection report:

- on the protection of the animals during the transport, for 2009. We mention that, this report is carried out in conformity with the provisions of the article 27(2) of the Council Regulation 1/2005/EC,
- carried out in farms, for 2009. The report is carried out in conformity with the provisions of the article 8 of the NSVFSA Order no. 13/2008, which transposes into the national legislation the Commission Decision 2006/778/EC.

The inspection report is accompanied by an analysis of the most serious nonconformities found out and by a national analysis plan, in order to prevent or reduce their incidence during the next years. The nonconformities found out are for the years: 2008 and 2009 in the inspection field regarding the compliance with the norms for the protection of animals during transport, as well as for year 2009 for the inspections carried out on farms.

The inspection report regarding the protection of animals during the transport for 2008, on a lay-out agreed by the European Commission, was transmitted by the note no. 20.563/23.04.2010, but this was not accompanied by the list of the found out nonconformities.

Best regards,

**PRESIDENT – SECRETARY OF STATE,**

**Marian ZLOTEA**
