ADIS Union Notification

Delays in updates of outbreak data in ADIS

Example in ADIS data from HPAI (in poultry) from June 2021 till March 2022:

- Several outbreaks are still without a date for “Preliminary Cleaning and Disinfection”
- This is a legal obligation in ANNEX II of Reg 2020/2002 to enter date for “Preliminary Cleaning and Disinfection”
- Thank you to the MSs that already entered the C&D dates for HPAI outbreaks in poultry
- ADIS Patch released (see later)
