* 1 = At place of departure or at slaughterhouse; 2** = During transport, At Markets, Staging or Transfer points; 3 = Document checks after the completion of the journey

The significant variation in poultry numbers from last year's return is due to the individual numbers of poultry have now been provided by the Food Standards Agency and Northern Ireland's Department of Agriculture Environment and Rural Affairs (DAER), rather than the number of consignments previously reported.

** The number of inspections and means of transport is not captured at slaughterhouses and therefore the numbers reflect animals involved.

Category and number of cases of non-compliances with Regulation (EC) No 1/2005 detected during the non-discriminatory inspections provided for Article 27(1) thereof
