The Commission presented a draft Regulation aligning the treatments required for entry into the Union of dairy products ingredients in the model certificates for entry into and the transit through the Union of composite products to the treatments described in Annex XXVII to Commission Delegated Regulation (EU) 2020/692 and supplementing and clarifying certain footnotes in the notes to those models. There were no comments from Member States.

**Vote taken:** Favourable opinion.

**M.01 Moldova.**

The Commission presented some ideas concerning the listing of Moldova in Implementing Regulation (EU) 2021/404 as a third country from which certain poultry commodities (fresh meat, meat products subject to treatment D and eggs) can entry into the EU. The Commission will come back subject to on-going discussions and the outcome of the on-the-spot audit at next PAFF Committee meetings.

**M.02 Russia/Belarus – non-commercial movements of dogs.**

France, supported by Finland, expressed concerns regarding movements of carnivores from Russia and Belarus, which could give grounds to removing these countries from the list of third countries for which a rabies antibody titration test is not mandatory. Member States were asked to provide further evidence to ensure a proper assessment of the situation.
