Eradication programmes in ADIS

- Member States are requested to provide yearly reports on the progress of approved eradication programmes in ADIS (Article 7 of CIR (EU) 2020/2002)
- The basic information for each programme are registered by the Commission
- The Member States are asked to complete the registration by inserting some additional information (geographical scope and intermediate targets)
- The programmes published in the amendment of the annexes to CIR (EU) 2020/2002 so far this year are now open for completion
- The first annual report for those programmes cover the year 2022, with deadline 30 April 2023
