

DRAFT AGENDA

EU Platform on Food Losses and Food Waste: Sub-group on food donation

26 October 2018 (10.00-17.00)

DG Health and Food Safety

Jacques Delors Building

Rue Belliard 99-101

Room JDE 70

Chaired by: Ms Anne-Laure Gassin - Unit SANTE.DDG2.E.1

- 1) Welcome and adoption of the agenda
- 2) Update on FEAD: support for food donation and food waste prevention by Marie-Anne Paraskevas, DG EMPL
- 3) EU pilot project on food redistribution: interactive session with the consultant *Ecorys & Wageningen UR*

Following presentation by the consultant, members will work in small groups, reporting back to plenary, in an iterative process, to address the following points:

- ⇒ collect members' insights on barriers and success factors for current food redistribution processes, implementation of the EU guidelines on food donation, future developments and needs for action
- ⇒ frame key messages to support the project's dissemination activities

- 4) Redistribution of surplus food - examples of practices in the Member States: discussion and feedback of members' on the draft document of the EU Platform on Food Losses and Food Waste

Questions for the sub-group:

- Is the overall content useful to you in your work on food donation at national level?
- Is the information included with respect to your sector/Member State correct?

- Is there any information you believe is missing with respect to your sector/Member State?
 - Do you consider that the structure of the document (which follows the structure of the EU guidelines on food donation) and format are appropriate for the purpose of the exercise? (If you consider that another structure and/or format should be followed, please provide your proposal).
- 5) Information sharing on food donation activities in Member States/by sectorial organisations
- More recovery, more sustainability. The contribution of FEBA and *Costa Crociere* to SDG 12 and 14.
- 6) AOB
