SUMMARY REPORT

A.01 General information by third countries.

No item raised.

A.02 Information point on import-export issues between the EU and UK (GB).

No item raised.

B.01 Exchange of views and possible opinion of the Committee on a draft Commission Implementing Decision on the evolution of animal diseases in third countries.

No item raised.

B.02 Exchange of views and possible opinion of the Committee on a draft Commission Implementing Regulation amending Annexes V and XIV to Implementing Regulation (EU) 2021/404 as regards the lists of Third Countries authorised for the entry into the Union of consignments of poultry and germinal products of poultry and of fresh meat of poultry and game birds.

Point withdrawn from the Agenda.

M.01 Information on the United Kingdom from Slovenia and the Netherlands.

The Commission explained the current situation regarding the risk categorisation of composite products and the certification requirements. In addition an update was provided regarding the UK listing of EU restricted zones in relation to HPAI and ongoing exchanges with the UK. Regarding the Border target operating model, there are some pending questions awaiting reply from the UK. When received, Member States will be informed through the existing channel.

Furthermore, the Commission provided information on the technical rules implemented in TRACES for export certificates to the UK and on the training of competent authorities on the issuance of those certificates in TRACES.
