

List of travellers points of entry according to Regulation (EC) nr. 998/2003 (pet animals)

According to Estonian law „Veterinary Supervision Over Trade, Import and Export of Animals and Animals Products ” § 9.3 it is allowed to bring pet animals into Estonia from third countries in the case specified in art. 12 of Reg. 998/2003/EC through border checkpoints located at the external border of the European Union which, pursuant to the “State Border Act “ are open for international traffic including passengers. In such cases the Tax and Customs Board is the authority competent to exercise supervision.
