

EUROPEAN COMMISSION
HEALTH AND CONSUMERS DIRECTORATE-GENERAL

**Expert group on legislation of seed and plant propagating material -
Working Party "PLANT REPRODUCTIVE MATERIAL"**

WEDNESDAY 3 DECEMBER 2014

Draft AGENDA

10:00-17:00

1. Exchange of views on EU rules for the labelling of small packages (EU and OECD).
2. Exchange of views on the use of bio-molecular methods in seed certification (EU and OECD).
3. Discussion on a draft Implementing Directive amending the EU requirements for barley hybrids laid down in the Annexes of the Council Directive 66/402/EEC.
4. Exchange of views on the possible use of the TRACES system as regards plant reproductive material imports and information exchanges among Member States.
5. Questions related to the taxonomy of plant species.
6. Exchange of views on a further harmonisation of post-controls.
7. Miscellaneous.
