

EU Directive 2001/18/EC as amended by (EU) 2015/412 as regards the possibility for the Member States to restrict or prohibit the cultivation of genetically modified organisms (GMOs) in their territory.

Article 26c – Transitional measures

Purpose: The Department of the Environment has decided to demand that, under Article 26c(1) of Directive 2001/18/EC as amended by Directive (EU) 2015/412, the geographic scope of the application for GA21 maize is adjusted to exclude the cultivation of the GMO in the specified territory.

Area to be covered by the exclusion: The whole territory of Northern Ireland including its islands.
