# CSF monitoring programme 2013

**Standing Committee on Plants, Animals,  
Food and Feed**

**Brussels, 11-12 September 2014**

## CSF monitoring program 2013

- CSF monitoring program
  - Monitoring program in domestic pig population
    - Monitoring for large pig farms
    - Monitoring program for other pig holdings
  - Monitoring in wild boar population

## Monitoring in domestic pig population

- Monitoring program for large pig farms (4)
  - 25 blood samples – breeding sows - each quarter
  - 10 blood samples – fattening pigs - each quarter

## Monitoring program in domestic pig population

- Monitoring programme for pig holdings
  - Herd based sampling scheme to detect a 1% level of sero-positive herds with 95% confidence (149 pig herds) combined with the risk based approach
    - sampling in breeding herds
    - sampling in small breeding herds
    - investigation of fallen stock collected by VHS (Veterinary Hygienic Service) in regional units of NVI
  - Detection of within-herd prevalence of 5% with 95% confidence in breeding herds, also combined with risk based components
    - purchased breeding pigs
    - pigs with health problems

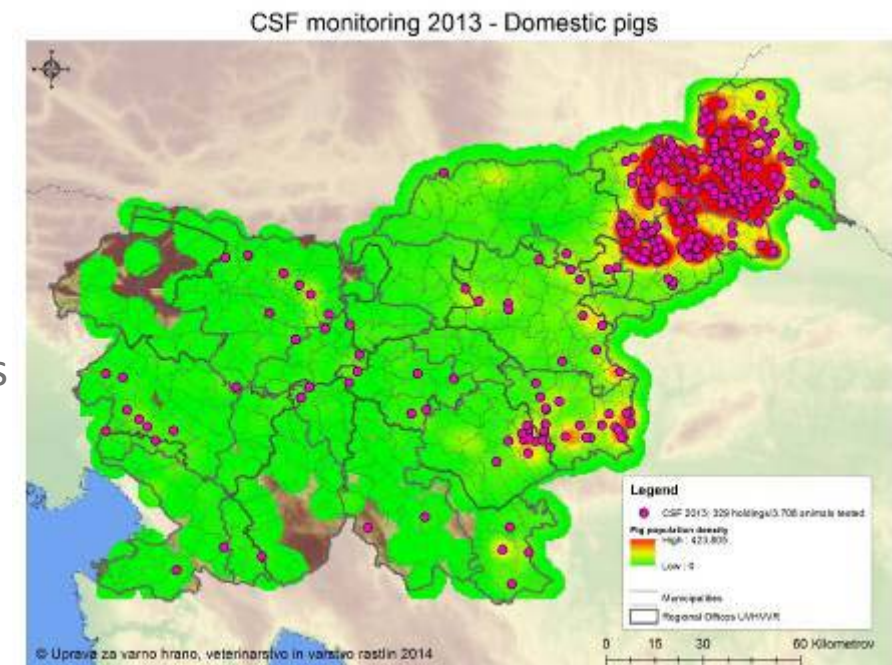

## Monitoring program in wild boar population

- Monitoring program in wildboar population
  - Random sampling: 406
  - Risk-based
    - found dead wild boars and road-kills
    - all (as much as possible) samples of wild boar shot along the border with Croatia

## Results of 2013 CSF monitoring programme

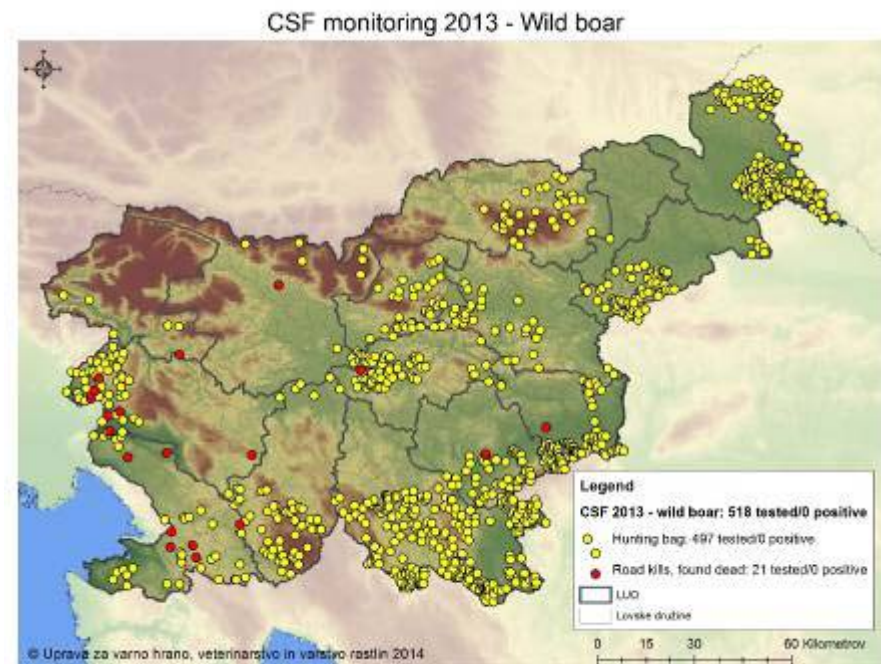

- Monitoring in domestic pig population
  - 329 holdings tested
    - 154 holdings /3.435 samples
    - All negative
  - Testing of fallen stock (PCR)
    - 179 holdings /273 samples
    - All negative

## Results of 2013 CSF monitoring programme

- Monitoring in wild boar population
  - 518 samples taken
    - Random sampling
      - 406 samples
    - Risk-based samples
      - 91 samples from risk area
      - 21 samples - fallen stock (PCR)
    - all negative

## Financial aspect

- Targets set in the approved programme for year 2013 were achieved
- Commission Decisions 2012/761/EU, 2013/403/EU and 2013/766/EU;
  - approved 30.000 €
  - eligible costs 15.006, 50 €
