# Košice okolie - positive case and parts I(II)

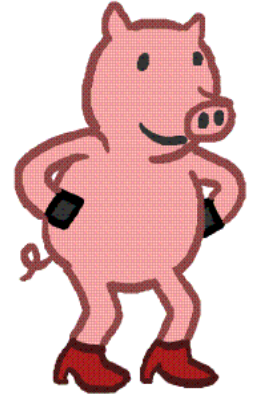

# ASF regionalisation – part II- valid till now

ASF regionalisation – part II – extension( enlargement)

# Conclusions

- 11 outbreaks (the last 19.8.2019) – situation consolidated
- 45 positive WB confirmed (till 12.2.2020)
- Still localized in the area south/east next to HU border
- New buffer zone demarcated (SK/PL border)
- Eradication plan ASF SK – sent to the EC –ready for approval
- New municipalities should be included into part II due to Košice okolie WB positive finding

Thank you for your attention
