

Food waste measurement

Update from the Commission

| Introduction

- Reporting obligations and measurement methodology – role of Member States and food business operators
- Calls for increased transparency of food loss and waste along the food supply chain
- Code of Conduct for Responsible Business and Marketing Practices (Farm to Fork)

| Food waste measurement - update

Upcoming meetings:

- Plenary Platform meeting – 18 March 2021
- Webinar for Member States, preliminary planned onto end march or after Easter – to be confirmed
- Digital Network
- Topics for further meetings of the subgroup?

| Grants on food waste measurement

- Addressed to Member States
- Still work in progress
- **Status: parent legislation 2018/0231(COD)** - *Programme for single market, competitiveness of enterprises, including small and medium-sized enterprises, and European statistics 2021–2027* **approved** but **not published yet**.
- We expect the grants could be published from mid-2021
