

Agenda

Second meeting of the Expert Group on Plant Health (E00925) On a Delegated Act on Exceptions for Movement of Scientific Material

**Centre de Conférence Albert Borschette CCAB Room
26 March 2018, 09H00 - 13H00**

I. Agenda

1. Introduction by the Commission
2. Presentation of elements of a draft Delegated Act
3. Exchange of views with the Experts

II. Points of discussion

The purpose of the meeting is to provide for a second exchange of views on a draft Delegated Act.

The main elements of discussion on the text will be on the scope of the Act (Article 1), on the Letter of Authority (Article 6) that should accompany the material (as defined in Article 2 : pests, plants, plant products or other objects), on the need of traceability of the material in general (Article 3, IMSOC) and in the particular case of multiple movements or introductions (Article 6).

The Commission will explain the follow-up to the Experts group meeting.
