282/2004 and
669/2009
= based on
those
Directives and
Reg 882/2004

Art 15.4 of the OCR:
Cooperation and exchange between
operators and competent authorities

Art 58b of the OCR:
Minimum time requirements for prior
notification of consignments

Future discussion

Operators shall make available all information concerning animals and goods entering the Union (Art 15)

The CHED is to be used for all consignments (Art 56.1 and 56.3)

How could cooperation and exchange between operators and competent authorities be best ensured?

Which time limits should apply, and for which types of consignments?
