European Union comments on

CL 2015/14-RVDF

**PART I: MATTERS FOR ADOPTION BY THE 38TH SESSION OF THE
CODEX ALIMENTARIUS COMMISSION**

**Point 1: Proposed Draft Maximum Residue Limits for
Veterinary Drugs**

(REP15/RVDF paras 70, 75, 90 and Appendix IV);

*European Union Competence
European Union Vote*

The European Union (EU) can support the adoption of the proposed draft MRLs with the exception of the MRLs for monepantel for which the EU reiterates its reservation expressed at CCRVDF because of intake concerns: the Codex MRLs for monepantel are equivalent to 118% of the EU ADI (admissible daily intake) when using the TMDI (theoretical maximum daily intake) approach for the exposure assessment.
