

This indicative timeline has not been adopted or endorsed by the European Commission. It is an attempt to indicate the timeline when Member States can expect preliminary ideas of derived legislation under Regulation (EU) 2017/625; under no circumstances it can be regarded as official position of the Commission. The information was intended to facilitate the discussion of the EU Member States during the meeting on 27.10.2017 on "Official Controls on animals and goods (including plants) entering the EU".
