13h30 END

Times in bold will be precise, other times are approximate and depend on discussions.

The Q&A session are to address everyone's questions. Be concise and simple when asking questions, maximum two at a time. Please refrain from using the question time for making statements, other participants may have questions as well.

Physical participants: Please do not enter the room when the doors are closed. Consider them locked.

Remote participants:

- Please enter and leave as you prefer; **prior registration is required and checked**. Admission may not be instantaneous; be on time!
- Ask questions in the chat – priority will be given to participants in the room. Simple questions will be answered directly, for complex questions we may give you the floor.
- **Please keep camera and microphone always muted; but unmute both when given the floor;** we will not be patient with dysfunctional equipment on the participant's side.

Sessions may be recorded; by participating you consent to being recorded.
