

## Module 6.4 – Applicant tutorial E-Submission Food Chain platform SCRIPT

---

### **Applicant and food business operator tutorial: Applicant interactions with EFSA regarding opinion, through to the end of risk management**

00:16	The 'Opinion adopted' message arrives on your dashboard and by email, and a new tab appears on the dashboard. This marks the end of the Risk Assessment process.
00:29	Risk Management begins, and during this phase, you will receive a publication pre-notification of EFSA's opinion.
00:37	<p>Click the link here to read the full text. You have the right to comment on the presentation and text accuracy of EFSA's opinion, but not on the actual content. This is not yet public.</p> <p>Your comment may result in a delay in the publication date.</p>
00:56	The final published opinion will show on the dashboard.
01:00	<p>Meanwhile, the Commission conducts its risk management process based on EFSA's opinion. The Applicant will be informed of the outcome – if the application is rejected, an explanation will be provided.</p> <p>Following a positive outcome, the application goes to the Standing Committee which makes the final decision to adopt the authorisation.</p>
01:18	You will receive a notification along with a link to the legal Act, which will be listed on the EUR-Lex website.
