14 DECEMBER 2022

1. **Adoption of the Agenda**
2. **Exchange of views and possible opinion of the Committee on a draft Commission Implementing Decision amending Implementing Decision C(2022) 3467 as regards the maximum Union contribution and the co-financing rates of veterinary programmes for animal diseases and zoonoses and phytosanitary programmes for plant pests. (PLAN/2156/2022)**

The Chair introduced the draft Commission Implementing Decision amending Implementing Decision C(2022) 3467 as regards the maximum Union contribution and the co-financing rates of veterinary programmes for animal diseases and zoonoses and phytosanitary programmes for plant pests, which was the same as that presented to the Standing Committee on 27 October 2022.

The Chair asked whether any Member State had changed its position or whether Member States had any further comments.

No Member State raised questions and therefore the Committee proceeded with the vote.

Vote taken: no opinion.

Reasons for the negative vote or abstention:

- no commitment on strategic discussions on priorities on future financing
- no commitment on where to reduce controls
- more discussions needed on the prioritisation of programmes
- missing commitment of Commission on setting the priorities for future financing
- not sufficient time to review the texts
- not sufficient time to review the texts and check with the capital

The chair informed the members of the Committee that, in accordance with Regulation (EU) No182/2011, it is now for the Commission to decide on this Decision.
