A.01 Information on import of colostrum products derived from the EU Member States and processed in third countries.

B.01 Exchange of views and possible opinion of the Committee on a draft Commission Implementing Decision on the evolution of animal diseases in Third Countries.

No item raised.

B.02 Exchange of views and possible opinion of the Committee on a draft Commission Implementing Decision extending the period of application of Commission Decision 2008/866/EC which introduces emergency measures suspending imports from Peru of certain bivalve molluscs intended for human consumption.

The Commission informed the Member States that the guarantees provided Peruvian Competent Authority up to date have been considered not sufficient to lift the emergency measures suspending imports from Peru of certain bivalve molluscs intended for human consumption established in the Decision 2008/866/EC.

The emergency measures initially applied until 31 March 2009 but this period of application was extended until 30 November 2015. The Commission's proposal intends to extend the measures two more years.

Vote taken: favourable opinion.

B.03 Exchange of views and possible opinion of the Committee on a draft Commission Implementing Decision amending Decision 2009/821/EC as regards the lists of border inspection posts and veterinary units in Traces.

The Commission presented the draft Decision amending approvals of several border inspection posts in Belgium, Spain, France, Italy, Lithuania, the Netherlands and the United Kingdom and certain changes to the list of Traces units in Italy.

Vote taken: favourable opinion.
