

# Anti-trust Statement

All Task Force meetings, whether held at a physical location or virtually, must be conducted in accordance with the relevant competition and antitrust laws.

As a condition of participation in this meeting, you agree that you will at all times refrain from discussing any information which is confidential to your organisation and/or which is likely to affect the commercial strategy or activities of your organisation and/or its members. You will not use the Task Force as a forum for exchanging commercially sensitive or confidential information, whether in person, or through virtual means of communication, such as chat functions. You are in the best position to judge what is, and what is not, commercially sensitive or confidential and so responsibility lies with you in the first place.

You are also reminded not to discuss topics outside the previously circulated and reviewed agenda.

Failure to follow these guidelines may bring serious consequences for you as an individual and/or your organisation. Such consequences include heavy fines and in certain cases, under national laws, the imposition of criminal penalties and sentences.
