AGENDA

Section A Information and/or discussion

- A.01** Information from Germany on low pathogenic avian influenza in poultry. (MP)
- A.02** Information from Portugal on the results of the implementation of the bovine brucellosis and ovine and caprine brucellosis eradication programmes in 2014. (NK)
- A.03** Information on the outcome of the financial implementation of the 2014 eradication programmes. (RM)
- A.04** Guidelines for Member States for EU funding of veterinary emergency measures. (RM)
Presentation of the Guidelines for Member States for EU funding of veterinary emergency measures after the review and finalization of the document done during the meeting of the dedicated Working Group.
- A.05** Information concerning two declarations from Slovenia on a surveillance programme and disease free status with regard to infectious haematopoietic necrosis (IHN) and viral haemorrhagic septicaemia (VHS) for compartments in Slovenia. (KR)
Information concerning a declaration of a surveillance programme with regard to IHN and VHS for the fish farm SIRIB050105 and a declaration of diseases free status with regard to IHN and VHS for the fish farm SIRIB050115.

- A.06** Information concerning two declarations of disease free status with regard to infectious haematopoietic necrosis (IHN) and viral haemorrhagic septicaemia (VHS) for zones in the Autonomous Province of Trento and the Region of Liguria. (KR)
- A.07** Information about and presentation of the main conclusions from the EFSA scientific opinion on oyster mortality published 5 June 2015. (KR)
The EFSA report can be downloaded from the following web page:
<http://www.efsa.europa.eu/en/efsajournal/pub/4122.htm>
- A.08** EFSA scientific opinion on canine leishmaniosis. (HK)
Presentation by EFSA on its scientific opinion on canine leishmaniosis
<http://www.efsa.europa.eu/en/efsajournal/doc/4075.pdf>
- A.09** African swine fever - Update from Latvia on the epidemiological situation, surveillance activities and control measures applied. (FB)
- A.10** Information on the scientific opinion of EFSA on African swine fever. (FB)
- A.11** Update from EFSA on the scientific and technical assistance on the collection and review of updated scientific epidemiological data on porcine epidemic diarrhoea. (FB)
- A.12** Report on the Community Veterinary Emergency Team (CVET) mission on bluetongue in the former Yugoslav Republic of Macedonia. (FB)
- A.13** Information concerning a declaration of disease free status with regard to infectious haematopoietic necrosis (IHN) and viral haemorrhagic septicaemia (VHS) for a fish farm in the Varese Province of Italy. (KR)
- A.14** Update on the Lumpy skin disease situation in neighbouring countries. (FB)

A.15 Information on several points related to animal transport and export of live animals. (AG/MF)

The information point aims at informing and updating Member States on the following issues related to animal transport:

- Judgment of the Court of Justice of the European Union of 23 April 2015 in Case C – 424/13 concerning animal transport;
- Shipment of sheep from Romania to Jordan;
- TAIEX Workshop on welfare practices at the time of slaughter held in Lebanon in March 2015 and possible follow-up training initiatives.

Section B **Draft(s) presented for an opinion**

B.01 Exchange of views and possible opinion of the Committee on a draft Commission Implementing Decision on the evolution of animal diseases in the Union.

(B.01_Emergency disease)

Procedure: Examination procedure

B.02 Exchange of views and possible opinion of the Committee on a draft Commission Implementing Decision amending Annexes XI, XII and XV to Council Directive 2003/85/EC as regards the list of and minimum security standards applicable to laboratories authorised to handle live foot-and-mouth disease virus. (EC)

Following the completion of a series of FVO audits in MSs on bio-security in laboratories and establishments authorised to handle live foot-and-mouth disease virus it is necessary to update Directive 2003/85/EC in following areas: list of national laboratories authorised to handle live foot-and-mouth disease virus, reference to the latest international biosecurity standards and list of tasks and duties of national laboratories.

(B.02_SANTE_7021_2015)

Legal Basis: Council Directive 2003/85/EC, in particular Articles 67(2) and 87(3)

Procedure: Examination procedure

- B.03** Exchange of views and possible opinion of the Committee on a draft Commission Implementing Decision amending Annex I to Decision 2009/177/EC as regards the disease free status for the whole territory of Croatia for koi herpes virus (KHV) disease. (KR)

(B.03_SANTE_7027_2015 R2)

Legal Basis: Council Directive 2006/88/EC, Articles 49 and 50(3)

Procedure: Examination procedure

- B.04** Exchange of views and possible opinion of the Committee on a draft Commission Implementing Decision establishing the financial contribution from the Union for expenditure incurred by the Netherlands in 2011, 2012 and 2013 for the financing of the emergency measures to combat avian influenza. (NVB)

The purpose of this Decision is to fix the amount of the financial contribution from the Union to the Netherlands towards the expenditure that was incurred for compensation and operational costs in taking emergency measures to combat avian influenza in 2011, 2012 and 2013.

(B.04_SANTE_10561_2015)

Legal Basis: Regulation (EU) No 652/2014, Article 36(4)

Procedure: Examination procedure
