

Revision of sustainable use of pesticides Directive

Advisory Group input invited

Andrew Owen-Griffiths, DG Health and Food Safety

Advisory Group meeting 17 June 2020

Public feedback

- Combined evaluation roadmap and inception impact assessment
- Published 29 May, open for public feedback until 7 August
- Website link already emailed to Advisory Group members

- Feedback will be taken into account by the Commission during the procedure, including for external study terms of reference

Planned external study to support initiative

- To support combined evaluation and impact assessment (“back-to-back” initiative)
- Preliminary results from evaluation will inform options to be considered for the subsequent impact assessment
- External study will include stakeholder consultation events, interviews, surveys, questionnaires, workshops etc.
- Stakeholders will be welcome to provide input, position papers etc.

Stakeholder consultation events

- Both the external study contractor and the Commission will organise stakeholder consultation events
- An online public consultation/Have Your Say event will be organised not before December 2020
- A dedicated BTSF event with MS competent authorities was scheduled for April 2020 but currently postponed due to covid-19
- Legislative proposal planned to be finalised Q1 2022

Thank you, any questions, points/issues to raise ?
