AOB – Submission of EU cofinanced
veterinary programmes for 2023

PAFF Committee – AHW section – 10 June 2022

Deadline for submission of the veterinary programmes for 2023

- Work programme 2023-2024 adopted by Commission on 02/06/2022
- Deadline for submission of the EU cofinanced veterinary programmes 2023 in eGRANT **postponed from 31/05/2022 to 21/06/2022**
- **Need for all Member States to finalise the submission of their EU cofinanced veterinary programmes in eGRANT before the 21/06/2022 eob.**
- Email sent on 08/06 from HADEA to all CVOs and contact points

Modalities of submission of the veterinary programmes for 2023

- As explained at the PAFF of 07 April 2022 and the Info-Session of 03 May 2022 :
 - the pdfs extracted from the DG SANTE IT Tool (ERADFUNDS) must be uploaded in e-GRANT.
 - **Only 1 single application per country** (containing all diseases work packages) **shall be submitted via eGrants** (not 1 application for each disease)
 - Countries which have already submitted multiple applications need to upload all disease specific work packages in 1 single application and then delete the other/redundant applications from eGrants

Modalities of submission of the veterinary programmes for 2023

- For individual questions on the eGRANT Portal Submission System, please contact the IT Helpdesk :

Next steps

Evaluation of the veterinary programmes 2023 received by 21/06/2022:

- As in previous year, the evaluation will be done by HADEA with the **support of external experts from the Member States**
- As last year, a **call for expression of interest** will be sent in the coming days by email to the Member States (CVOs and contact points) to select the external experts.
- The **outcome** of the evaluation and proposed budget allocated to each application will be presented at the PAFF of November 2022

Thank you
