I am contacting you on behalf of Europatat which is the European potato trade association. Europatat represents national associations and individual companies based in the EU and outside, that are involved in the marketing and trade of seed, ware and early potatoes.

After consulting the association's Board, we are delighted to inform you that we would like to sign the EU Code of Conduct on Responsible Food Business and Marketing Practices. This code has our support and we intend to further disseminate and promote the code amongst our members to encourage business transition to more sustainable practices.
