AGENDA

Section A Information and/or discussion

- A.01** Presentation of the outcome of the questionnaire related to the implementation of particular aspects of Regulation (EU) 2016/429 (Animal Health Law) and Regulation (EU) 2016/1012 (Animal Breeding Regulation). (EC)
- delegation of the issuing of single lifetime identification documents for equine animals;
 - use of derogation for issuing of a zootechnical certificate by germinal product establishments approved for intra-Union trade;
 - publishing by a Member State of a list of breed societies/breeding operations from other Member States which have extended the geographical territory to the territory of that Member State.
- A.02** Exchange of views as regards the implementation of derogation provided for in Article 31(1) of Regulation (EU) 2016/1012 – issuing of zootechnical certificates by approved germinal product establishments. (EC)
- A.03** Exchange of views as regards the implementation of the rules for upgrading of the offspring of animals recorded in a supplementary section to the main section of the breeding book. (EC)
- A.04** Presentation of an opinion of the Commission legal services concerning the rules related to a membership of breeders in breed societies. (EC)
- A.05** Exchange of views as regards the implementation of the rules for the notification of the extension of the geographical territory of breeding programmes to the territory of another Member State. (EC)

- A.06** Presentation of the 2023-24 work programme of European Union reference centre responsible for the scientific and technical contribution to the harmonisation and improvement of the methods of performance testing and genetic evaluation of purebred breeding animals of the bovine species. (EC)
- A.07** Presentation of the 2023-24 work programme of the European Union reference centre responsible for the scientific and technical contribution to the establishment and harmonisation of the methods for the preservation of endangered breeds, and the preservation of the genetic diversity existing within those breeds. (EC)
- A.08** Information concerning the implementation of the Animal Breeding Regulation which Member States shall make publicly available. (EC)
- A.09** Exchange of views as regards the global Strategy for Genetic Resources for Europe and the specific Animal Genetic Resource Strategy – State of play, presentation from the European Regional Focal Point for Animal Genetic Resources (ERFP) and discussion. (EC)

Section B **Draft(s) presented for an opinion**

- B.01** Exchange of views and possible opinion on Commission Implementing Regulation designating the European Union reference centre responsible for the scientific and technical contribution to the establishment and harmonisation of the methods for the preservation of endangered breeds, and the preservation of the genetic diversity existing within those breeds. (EC)

(PLAN/452/2022)

Legal Basis: Regulation (EU) 2016/1012 - Article 29(2)

Procedure: Examination procedure
