

Preparedness to “hard” Brexit Border controls

17 September 2019

Sanitary and Phytosanitary (SPS) rules Border controls

- *Official controls at EU borders: import and external transit from the UK*

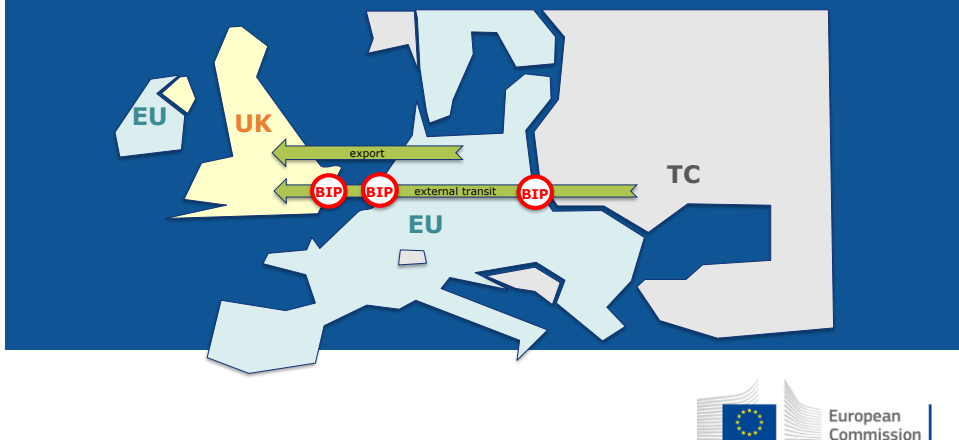

Sanitary and Phytosanitary (SPS) rules Border controls

- *Official controls at EU borders: internal transit through the UK*

Sanitary and Phytosanitary (SPS) rules Border controls

- *Official controls at UK borders: export and transit to the UK*

Sanitary and Phytosanitary (SPS) rules

Border controls

New (or extended) BIP:

- Member States to present BIPs for approval by the Commission with the flexibility provided for in EU legislation:
 - Reasonable distance from the point of entry
 - Proper customs/veterinary surveillance
 - Temporary premises for inspection rooms and social rooms
 - Use of commercial facilities for unloading areas and storage rooms

New staff:

- Member States to recruit additional staff for the BIPs
 - Commission training programme (BTSF)
