**SUMMARY REPORT**

**B.01 Exchange of views and possible opinion of the Committee on a draft Commission Implementing Directive amending Commission Directive 93/49/EEC and Implementing Directive 2014/98/EU as regards Union regulated non-quarantine pests on propagating material of ornamental plants, fruit plant propagating material and fruit plants intended for fruit production.**

The Commission presented the draft Implementing Directive. An exchange of views took place regarding the risk management measures against *Candidatus* *Phytoplasma mali*, the prolongation of the existing transitional measures and the description of pest-free areas.

**Vote taken:** Favourable opinion.

**M.01 Revision of the plant and forest reproductive material legislation.**

The Commission provided an update about the state of play of the revision of the plant and forest reproductive material legislation and informed Member States that the adoption of the legal proposals has been postponed to the second quarter of 2023.
