

EUROPEAN COMMISSION
HEALTH AND CONSUMERS DIRECTORATE-GENERAL
Safety of the Food Chain
Chemicals, contaminants, pesticides

SANCO/12117/2014 – final

12 December 2014

**Guidance Document for evaluating laboratory
and field dissipation studies to obtain DegT50
values of active substances of plant protection
products and transformation products of these
active substances in soil**

COMMISSION GUIDANCE DOCUMENT - DOES NOT NECESSARILY
REPRESENT THE VIEWS OF THE COMMISSION SERVICES

Introduction

The current document has been published by the European Food Safety Authority and is written for Member States and industry risk assessors and scientists involved in the authorisation and approval of plant protection products and their active substances.

The aim of the document is to harmonise the risk assessment of the environmental fate and behaviour of such products and substances.

Implementation schedule

This document has been finalised in the Standing Committee on Plants, Animals, Food and Feed on 12 December 2014 and will apply as from 1 May 2015.

Appendix

EFSA European Food Safety Authority, 2014. EFSA Guidance Document for evaluating laboratory and field dissipation studies to obtain DegT50 values of active substances of plant protection products and transformation products of these active substances in soil.
