SUBJECT: "Annual report on the inspection results on the protection of animals during transport"

Please find enclosed the Annual report on the 2009 inspection results on the protection of animals during transport. We inform you that both observed violations regarded the lack of any navigation system, upon which the transport licence and vehicle approval were suspended, and the lack of any journey log for which a fine of 1500 Euro was imposed on and paid by the carrier. The rest of the violations were notified under the system of mutual assistance.
