BIOSECURITY CHECKS
Jan-March 2020

1. COUNTY LEVEL. In the first quarter of 2020, representatives of local competent authority carried out a number of **250 official controls on biosecurity in pig holdings.** Following these controls, 5 contraventional sanctions were applied in a total amount of 7200 lei, 2 warnings were issued and 5 ordinances prohibiting the activity were issued.

2. CENTRAL LEVEL. The animal health official control structure **over-checked 4 counties** in 2020. The purpose of these checks was to verify the effectiveness of the official control performed by official veterinarians regarding ASF control measures.

INITIATIVES IN 2020 REGARDING ASF CONTROL MEASURES (1)

1. **Traffic controls** are being intensified and are carried out by joint teams of three institutions: IPJ (police), IJJ (gendarmes), and DSVSA (local veterinary authority;

2. **Official Controls** are intensified, sepecialy regarding ASF, CSF and biosecurity;

3. Draft for amendment of N.S.V.F.S.A. and Ministry of Agriculture and Rural Development Order regarding **biosecurity norms in pig holdings.** Progress: in the last stage for approval;

4. ASF **Strategy in Wild Boars** is being revised taking into account EFSA provision and DG SANTE technical and financial guidance. (Under disussion with SANTE D4)
