**SUMMARY REPORT OF THE
STANDING COMMITTEE ON PLANTS, ANIMALS, FOOD AND FEED
HELD IN BRUSSELS ON 22-23 MARCH 2016**

(SECTION *PLANT HEALTH*)

(SECTION *PHYTOPHARMACEUTICALS – PESTICIDES RESIDUES*)

Given the situation, where public transport in Brussels had that morning been affected by the 2 violent attacks shortly before the start of the meeting, and therefore several Member States were not represented in the meeting, the Chair decided to cancel the meeting and allow representatives to organize a safe return home.

Points will be taken up in a forthcoming meeting of the Committee as appropriate.
