SUMMARY REPORT

- B.01 Exchange of views and possible opinion of the Committee on a draft Commission Implementing Decision on the evolution of animal diseases in the Union.**
- B.02 Exchange of views and possible opinion of the Committee on a draft Commission Implementing Decision amending Annexes I and II to Decision 2003/467/EC as regards the declaration of certain regions of Italy as officially tuberculosis-free and officially brucellosis-free in relation to bovine herds.**

The Commission presented the draft Implementing Decision to Member States. The history of the eradication, the epidemiological situation and the measures intended to be taken in the future for the maintenance of the free status of the two regions had been presented by Italy to the Committee in July. Member States had no questions or comments and the draft was voted on.

Vote taken: Favourable opinion.
