Information on the submission of the final reports for the 2023 veterinary programmes grants

PAFF Committee – AHW section – 20 February 2024

Health and Digital Executive Agency

Information on the submission of the final reports for the 2023 veterinary programmes grants

- It will be the **first time of reporting through EGRANT** (Funding and Tenders Portal) and you will be requested to submit 1 report per work package (disease).

- **The data will have to be encoded in DG SANTE IT tool (SANTE Data Collection Platform (SDCP) for the last time and then uploaded to EGRANT.**

- Grant beneficiaries will use **DG SANTE Data Collection Platform (SDCP)** to prepare work packages' (WPs; programmes) specific final reports:

- WPs **final report templates in SDCP are same as in previous years**;

- SDCP is expected to be opened for users in EU and relevant non-EU countries as of **04 March 2024;**

- The **link** to be followed will be sent to all MSs and TCs contact points by end of February 2024

- ☐ HaDEA recommends to submit WPs specific reports via SDCP by 30 March 2023;

- ☐ HaDEA stresses the importance of double checking the data/information encoded, before the submission via SDCP. This may prevent re-submission of reports via SDCP and also re-upload/over-administration in eGrants.
