**European Union comments on the
Proposed draft sampling plan for residue control for aquatic animal
products and derived edible products of aquatic origin (Table C, Annex B
of CAC/GL 71-2009)**

Agenda Item 8a, CX/RVDF 12/20/9

**Mixed competence
Member States vote**

The European Union and its Member States (EUMS) would like to thank the United States for leading the work on developing the sampling plan for residue control of products derived from aquatic animals.

The EUMS support the sampling plan as proposed in Annex 1 of document CX/RVDF 12/20/9. The EUMS prefer options 1a and 2a for the instructions for collection of samples.
