

Sub-group on Consumer food waste prevention

- Joint meeting with European Consumer Food Waste Forum on 16 February 2023 – hybrid
- Aim: to gather Platform's views on the compendium, the final result of the pilot project
- Discussion on evidence gaps, policy priorities to be highlighted in the compendium, dissemination of results; the contribution of consumer segmentation studies and importance of tailoring behavioural interventions
- Next: joint meeting with Date marking and food waste prevention sub-group on 4 December
