AGENDA

Section B **Draft(s) presented for an opinion**

B.01 Exchange of views and possible opinion of the Committee on a draft Commission Implementing Decision on a simplified procedure for amending the lists of Canadian establishments authorised to export equivalent products to the EU. (JB)

This measure allows for a simplified procedure for the listing of Canadian establishments that produce products for which equivalence has been established under the EU-Canada Veterinary Agreement. The new procedure foresees in an amendment to the procedure laid down in article 12 of Regulation (EC) No 854/2004 and is conformable to the procedure endorsed last year for New Zealand establishments under similar conditions by Commission Implementing Decision 2015/1084.
